

# GIS INTEGRATION SPECIALIST

HUBZONE | WOMEN-OWNED | SMALL BUSINESS

## About Pro-West & Associates

The US Small Business Administration recognized Pro-West as the 2013 National Subcontractor of the Year - the only GIS firm ever to receive this award.

Pro-West & Associates is a geographic information systems (GIS) integration firm serving federal, state, local, and tribal governments, and private industry, since 1987. Pro-West provides solutions and services that allow its clients to efficiently map, analyze, and manage spatial geographic and database information.

Pro-West is a federally certified **HUBZone** and **Women-Owned Small Business (EDWOSB, WOSB)**. Based in Walker, MN, Pro-West has an influence on GIS technology and practices that reaches far beyond its rural location.

Pro-West delivers projects of all sizes across the United States. The company is poised to **accommodate multiple large projects, and augment staff to respond quickly and efficiently**. Pro-West has the capacity to deploy knowledgeable **technical and programming staff to work off-site and/or on-site**.

Our experienced project management staff work with clients and prime contractors to ensure quality deliverables and successful projects.

Pro-West's extensive GIS software and hardware infrastructure supports the **secure development, testing, and deployment** of projects, facilitating scalable, cost-effective solutions.
