HUBZONE SMALL BUSINESS

ABOUT PRO-WEST & ASSOCIATES

Pro-West & Associates is a geographic information systems (GIS) services firm that has been a trusted partner to federal, state, local, and tribal governments, and commercial industry, since 1987. Pro-West provides solutions and services that allow its clients to efficiently map, analyze, manage and use location intelligence.

Pro-West is a **HUBZone** small business based in Walker, MN, with an influence on location technology and practices that reaches far beyond its rural location.

Pro-West delivers GIS projects of all sizes across the United States as both a prime and subcontractor and as part of a Joint Venture. The company is poised to **accommodate multiple large projects and augment staff to respond quickly and efficiently**. Pro-West has the capacity to deploy knowledgeable **technical and programming staff to work off-site and/or on-site**.

Our experienced project management staff work with clients and prime contractors to ensure quality deliverables and successful projects.

Pro-West's extensive GIS software and hardware infrastructure supports the **secure development, testing, and deployment** of projects, facilitating scalable, cost-effective solutions.

Pro-West is the **only GIS firm** ever to have received the US Small Business Administration's **National Subcontractor of the Year Award**.
